Notice concerning Determination of the General Outline of the Unitholder Benefits Program

Nippon Healthcare Investment Corporation (the "Investment Corporation") hereby announces that the Investment Corporation determined the general outline of the unitholder benefits program (the "Benefits Program") applicable for the Investment Corporation's fiscal period ending March 2020 (the final fiscal period before the merger) as follows. The Benefits Program provides the unitholders with an opportunity to experience the high quality management and services the operators of the healthcare facilities (the "Operators") offer and to get a better understanding about them. The Investment Corporation expects that, through the utilization of the Benefits Program, the unitholders would feel more familiarity with the Investment Corporation and the Operators. In the Benefits Program, the Investment Corporation has decided to newly introduce benefit programs provided by Good Time Living Co., Ltd., which is an operator for the 19 properties among the properties to be acquired on April 2, 2020 as announced in "Notice Concerning Acquisition and Leasing of Property" dated November 19, 2019 and a subsidiary of Daiwa Securities Group Inc., the sponsor of the Investment Corporation, as part of measures to strengthen ties with the company.

The Investment Corporation is scheduled to merge with Japan Rental Housing Investments Inc. on April 1, 2020. While the Investment Corporation, which is the absorbed corporation, will be dissolved upon the merger and Japan Rental Housing Investments Inc., which is the surviving corporation, will change its trade name to Daiwa Securities Living Investment Corporation, the Benefits Program will continue to be provided by Daiwa Securities Living Investment Corporation after the merger. Details of the Benefits Program after the merger will be announced by Daiwa Securities Living Investment Corporation as soon as it is finalized.
